**Message:**

To Whom It May Concern:

Attached is a copy of an Information Disclosure Statement (IDS) from a European Search Report mailed August 30, 2004 which was filed with the USPTO on November 30, 2004, including Transmittal Sheet, IDS Statement and Form PTO-1449. We have been advised that since this patent application has been allowed, the file has been forwarded to your department for publication. Since this IDS was recently filed, we have not yet received a PTO Form-1449 with the Examiner's initials for this IDS submittal.

Consequently, we would appreciate it if you would kindly match these documents with the file and forward the file to Examiner Tran. After review of the IDS submitted by mail by Examiner Tran, we request that she fax to our office an initialed copy of the PTO Form-1449. Our facsimile number is (858) 677-1465.

Thank you for your assistance in this matter. Please do not hesitate to contact me if you have any questions or require further information. I may be reached telephonically at (858) 638-6756.
